Cruises

Cruise Loch Lomond operates from Tarbet every day, with modern cruisers going north and south of the loch. The timetable is set on a daily basis. Call 01301 702 356 for more information.

Dogs

Please ensure all dogs are kept on a leash at all times, and that you use the doggy waste bins located across the park. We also have a dog run area at the right hand side of the park which is fenced off, allowing a safe area for your dog to exercise and have a run about.

Fishing

Fishing on the Loch is allowed except game fishing on Sundays. Permits for game fishing are required and can be purchased on a daily or weekly basis. Permits are sold at Ardlui or Luss. Please ensure that you take away all fishing tackle i.e. hooks and lines, as the wildlife can be injured by discarded tackle.

Hospital

The nearest hospital is The Vale of Leven District General Hospital, located in Alexandria.
